Assembly Instructions

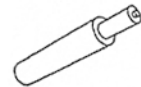

Angelita Bar/Counter

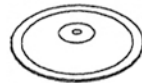

A Seat x1

B Post x1

C Gas Lift x1

D Base x1

E Washer x1

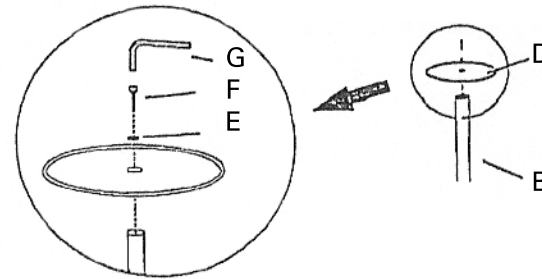

F Screw x1

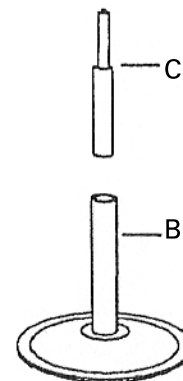

Allen Wrench x1

PLEASE NOTE: Check that you have received all components and hardware before assembling. If you are missing any parts, contact your retailer, or fax Euro Style at 415-455-8033.

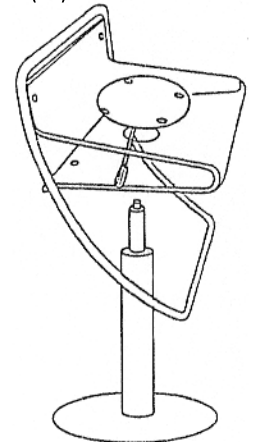

1. Attach the base (D) to the post (B) by using a screw (F) & washer (E). Tighten bolt using the Allen wrench.

2. Insert gas lift (C) into the post (B) as shown.

3. Place the seat (A) on top of gas lift (C), aligning the hole in seat plate with top of gas lift (C).

During assembly, **hand tighten** screws only. When all screws are in place, tighten completely.
